Utilization of Zakat fund in COVID-19

The Citizens Foundation (TCF) has specified a portion of the Zakat and Donation Fund for people who have been affected by COVID-19. This fund will be used to distribute rations and support other needs of families affected by COVID-19.

It is confirmed that in this unforeseen situation, the amount is being spent on the eligible people, under the guidance and supervision of Shariah Advisor, so whoever pays Zakat to The Citizens Foundation's (TCF) COVID-19 fund, his Zakat will be paid.
